Scale-Up Program Student Survey Script**

---

Teacher/Leaders – Please read to students before administering the student survey

**6<sup>TH</sup> THROUGH 12<sup>TH</sup> GRADE**

*SCRIPT for program leader/teacher announcement (STUDENT ACTIVITY):*

You are participating in a science, technology, engineering, and math program. Organizers of the program are curious how the program impacts student attitudes. To find out, I am asking you to complete a short questionnaire. You are under no obligation to complete the questionnaire and your decision will have no impact on your standing in this class in any way. Do not write your name on the questionnaire. When you have finished, place it face-down on your desk. When everyone is done, I will come around with an envelope for you to place your sheet in.

*SCRIPT for teacher announcement (TEACHER PROFESSIONAL DEVELOPMENT):*

Students, I am participating in a program about teaching science, technology, engineering, and math. **K THROUGH 5<sup>TH</sup> GRADE**

*SCRIPT for program leader/teacher announcement (STUDENT ACTIVITY):*

You are taking part in a science, technology, engineering, and math program. Organizers of the program are curious how the program impacts students. To find out, I am asking you to answer a few questions. You do not have to answer the questions and nothing bad will happen if you don't answer them. Do not write your name on the sheet. When you have finished, put it face-down on your desk. When everyone is done, I will come around with an envelope for you to put your sheet in. *[If necessary for age group, read questions and responses to students.]*
